4/ Listed for information.

5/ Requested by the Group to be held in June 1994.

6/ At its first part, the Conference requested the President to undertake consultations with a view to making further progress towards a new agreement; and invited the President, in the light of his consultations and after seeking the advice of the International Natural Rubber Council, to recommend to the Secretary-General of UNCTAD the convening of the Conference for a second part, for a period of two weeks beginning 3 October 1994.

7/ To be held in Columbus, Ohio, United States of America.

8/ The Commission on Transnational Corporations, the Intergovernmental Working Group of Experts on International Standards of Accounting and Reporting, and the Commission on Science and Technology for Development will meet in Geneva in 1995 on dates to be determined.

9/ Consideration would need to be given to the timing of UNCTAD IX. It is recalled that UNCTAD VIII was originally scheduled to be held in the Summer of 1991, but practical problems regarding the hosting of the Conference resulted in its being held in February 1992. Rule 1 of the rules of procedure of the Conference provides: "The United Nations Conference on Trade and Development ... shall normally meet at intervals of not more than four years."
